Toledo elementary students pass out 'Blessing Bags' to homeless people downtown It has a spacious single main compartment that can fit bulkier items like shoes or a sweatshirt. On the exterior, four expansive pockets offer even more storage. Each of the bag’s broader sides has a full-length exterior pocket that’s roomy enough to hold a 13-inch laptop; one includes a key-clip lanyard. The tail ends of the bag have smaller pockets that are well proportioned for a water bottle or umbrella. When you need the utilitarian qualities of a canvas tote and also want to look stylish, polished, and like you’ve got it all together, turn to the Filson Rugged Twill Tote Bag. Make the pearl handbag the standout in your personal collection for formal occasions. Normally a delicate accent, pearls are the star of this handbag design. The combination of classic material and modern silhouette creates a delicate, versatile bag you’ll want for every event. The tail ends of the bag have smaller pockets that are well proportioned for a water bottle or umbrella.
