PROPÓSITO:

To learn how to use the imperatives for giving instructions, orders, warnings or to make an offer.

To use properly the adverbs of sequence when giving instructions.

MOTIVACIÓN:

Students, remember that we already studied this topic. Nevertheless, it is important for me that you upload the document with the exercises you completed and sent me via whatsapp.

Do not forget that there are some activities here that we did not complete during the class, so be careful and complete everything.

EXPLICACIÓN:

Dear students,

In the following documents you fill find the explanation of both, "Imperatives" and "adverbs of sequence". Download the documents and take notes.

IMPERATIVES

ADVERBS OF SEQUENCE

EJERCICIOS:

In the following documents you will find the exercises you have to complete. Remember that the workshop must be done in your notebooks and that you have to write your names in every page.

EXERCISES-ADVERBS OF SEQUENCE
