"I still can't believe I've won the championship," said Iain. "I've been in the local skate club for about a year so I had a big advantage." Iain's favourite snakeboarding moves include front and back flips and he's very good at jumping from one ramp to another. With such frightening acrobatics, is he ever scared?

"Not really. I mean, you don't do a 4m jump on the first day! I know what I can and can't do and I try not to do things too quickly."
