

PROPÓSITO:

Responsibility and good behaviour in the website are very important values to become successful in life and to live in harmony. Students have to develop awareness in order to acquire knowledge and live a happier life. Today young people have many problems in the use of tech and social networks; it is necessary to follow rules to use netiquette to interact in the website and become successful in life.

We are going to work modal verbs, and vocabulary related to tech, and values ,in order to develop English linguistic and communicative competences in real situations, using listening , reading, writing and speaking skills

¡Welcome!
