According to the videos, answer the following questions:

- What is peace for you? What does democracy mean to you?
- Is there democracy in Colombia?
- Why are human rights important in our country?
- What are the biggest issues for young people in the world? Make a list.

Example of the list in the last question:

#### EXPLICACIÓN:

#### Social issues

When we talk about democracy and peace, we are talking about human rights. For example: right to vote freely, right to receive health and basic services, right to education, etc. But these rights are frequently violated that is the reason why we have social issues like:

- Teenagers pregnancy
- Political and social violence
- Bullying
- Drugs addiction

- Bad education service
- Bad health attention
- Lack of values
- Bad communication at home or/and school
- Exclusion and discrimination
- Obscene language
- Human rights abuse
- Violence
- Cutting in line
- Plagiarism
- Ideological differences
- Depression
- Sexual abuse

### Present Perfect

The present perfect tense refers to an action or state that either occurred at an indefinite time in the past (e.g., we have talked before) or began in the past and continued to the present time (e.g., he has grown impatient over the last hour). This tense is formed by have/has + the past participle.

### Second Conditional

The second conditional is a structure used to talk about impossible or imaginary situations.

For example:

- *If I won a lot of money I'd travel the world.*
- *Where would you live if you could live anywhere in the world?*
- *If he didn't argue with everyone all the time, he would have a more relaxed life.*
