

PROPÓSITO:

The purpose of this day is to enhance students skills while developing an activity of their preference.

MOTIVACIÓN:

Students are going to listen a song called "Dance Monkey"

EXPLICACIÓN:

In this stage students are going to read an story about the song.

<https://storyofsong.com/story/dance-monkey/>

-Later on they are going to share what they understood about the text of the story. (Doubts and ideas will be clarified.

EJERCICIOS:

In this section, they are going to write 5 sentences of the singer that they like the most but do not write the name of avoid to mention the name. (The idea here is that other students guess the character)

- For example: one student is going to read the sentences he or she has, then he or she is going to call out another partner in order to guess who is the singer.
