About melbourne tour Good Day Girls, if you really think about melbourne day tour?! We have detailed information about day tour melbourne Top tours in Melbourne — if you're hunting, you've come to the right place. But let me cut to the chase: Victoria's capital isn't the kind of destination that shows off loudly. No — she reveals slowly. The best bits are tucked away in cobbled laneways, behind secret doors, inside artist studios, and by the sea that shift from calm waters to wild shores in hours. I'm Paul Beames, and after countless trips of leading folk across Australia, and partnering with small-group operators, I've realised this: you can't rush Melbourne. You've got to wander, sample, soak up the vibe, eat, discover on your own terms, and have a yarn. That's how you discover the essence of this city. So here's my rundown on what to do, and shape your adventure into something you'll remember for long after. site about melbourne excursions please click
