

PROPÓSITO:

The students establish differences between times of the verbs after watching videos and develop activities such as: doing sentences in agreement, the draws, complexation exercises, dialogues, readings, etc.

MOTIVACIÓN:

The students are happy watching videos about different tense verbs, some letters, writing completion exercises, dialogues, and other exercises, etc.

EXPLICACIÓN:

there are different verbal tenses

PRESENT TENSE: where the people do the actions in present.

Example:

You eat meat

Usted come carne

PAST SIMPLE: We use past simple for speaking about one action that finished in other time, the action can occur in recent past or alone time.

Example:

Yesterday Rosa swam in the pool.

PRESENT CONTINUOUS OR PRESENT PROGRESSIVE

The present continuous is using the verb to be in present and the verb with form ing.

Is using for speaking about things that occur in the moment with expressions as: Now, at the moment

Example: I am writing at moment

Rosa is reading a book

They are playing football
