

PROPÓSITO:

Students will learn some learning strategies. They will give and ask for information about free-time activities, talk about diet, physical and express emotions.

MOTIVACIÓN:

Dear students, the present guide has the pedagogical intention to show you some learning strategies to improve reading comprehension.

Please answer these questions:

Do you have any hobbies or interests?

What do you do in your free time?

How often do you eat fast food?

Do you like helping other people? What do you do to help them?

EXPLICACIÓN:

Check the last lesson, you can find the slides about present simple.

EJERCICIOS:

Here you can find a file with different exercises that you are going to read and solve during the class time, remember to solve them on your notebook or in a word file, the idea is that at the end of the lesson you have answered all the points and only upload the file to the platform. Be careful.
