PROPÓSITO:

Students will learn basic back-to-school biosecurity protocols and reinforce the alphabet.

MOTIVACIÓN:

At the beginning of the class, a song will be put on, to call the children's attention and let them know that they are in English class. https://www.youtube.com/watch?v=zCNwhsBivIY

EXPLICACIÓN:

To start the teacher plays a video about the corona virus and biosecurity protocols and ask questions about this video.

https://www.youtube.com/watch?v=rBdgpzkXTS4

The TPR will be used, where the di?erent images will be presented (?ash card.) to the child, including (temperature, hands, apart, face mask,)then each image will be assigned a small prayer and a movement for them to repeat.

And explanation of the importance of biosafety protocols,each time a word is presented, it will be presented with the alphabet to make a review of this
