

PROPÓSITO:

To learn how to use the imperatives for giving instructions, orders, warnings or to make an offer.

To use properly the adverbs of sequence when giving instructions.

MOTIVACIÓN:

Students, remember that we already studied this topic. Nevertheless, it is important for me that you upload the document with the exercises you completed and sent me via whatsapp.

Do not forget that there are some activities here that we did not complete during the class, so be careful and complete everything.

EXPLICACIÓN:

Dear students,

In the following documents you will find the explanation of both, "Imperatives" and "adverbs of sequence". Download the documents and take notes.
