3 Look at the pictures and the title of the text. How is each picture connected to the title

	Why do people use animals for them?	Why does nature suffer its cruel?
Circuses	They use them because they are animals that the public likes to see and entertains them.	It's cruel because they have the animals suffering and caged.
Bullfighting	He uses them to do bullfights and this mistreats the animals.	Why do they have the animals suffer? mistreat the bulls.
Animals trafficking	The most exotic animals are trafficked to sell them in high amounts of money and they have them as pets.	Animals are harmed and not allowed to live in their natural habitat.

Read the situations and give your opinions.

A in a way bad fact of not talking to the right people to stop these situations of animals abuse.

B in this case, it is badly done that the authorities are not notified of the mistreatment that cats receive.

R=C everyone has "different opinions",
therefore, the tastes of others must be
respected

***U=D** animals should not be used
for people's entertainment

5 Choose one of the situations above
write a short composition about the
topic remember the use of connectors
and linkers

U= Animals that can be kept as pets
must be treated with affection and
love, not treated or broken

6 Read the next exercise and solve it
