module 4 // Unit 1

Let's See the World!

Lesson 1 » Amazing Countries

Word Bank

Great Barrier Reef
Uluru
Sydney Opera House
Funnel Web Spider

1. Read the tourist brochure for Australia and complete using the Word Bank. Then label the pictures.

Uluru

Australia – Where Everything is Bigger and Better

Come to wonderful Australia, where everything is **bigger and better**! Come visit Sydney, Australia's biggest city with a population of 4.9 million people. It is just a little bit **bigger than** Melbourne which has 4.5 million people. It's an incredible city which is famous for the ¹_____ where they have theatre and music shows. Sydney's climate is also warmer than Melbourne's; but the hottest regions of Australia are the Northern Territory and Western Australia.

Australia is also famous for some of the most astonishing natural wonders that exist on planet earth. For example the ²_____ in Queensland is the largest coral

reef in the world, and ³_____, which is located in the Northern Territory, has also been declared the largest rock in the world.

And for reptile and spider lovers, Australia is also famous for some not so friendly wonders of nature. We have some of the most venomous snakes and spiders in the world. In fact the ⁴_____ is the second most poisonous spider in the world, just behind the Brazilian Wandering spider.

So if you like fascinating architecture and wonderful nature (that includes venomous snakes and spiders!), be sure to come visit sunny Australia!

2. Answer the questions based on the tourist brochure.

1. Which city is smaller, Sydney or Melbourne?

Melbourne is smaller than Sydney.

2. Which is hotter, Northern Territory, Sydney or Melbourne?

3. Why is Uluru famous?

4. Which city is colder, Sydney or Melbourne?

5. What is the name of the largest coral reef in the world?

6. Which spider is more venomous, the Funnel Web or the Brazilian Wandering spider?

Word Bank

Summer Autumn
Winter Spring

Lesson 2 » Crossing Borders!

1. Label pictures A-D and complete sentences 1-4 with the words in the Word Bank.

A

winter

B

C

D

1. We're swimming at the beach and the sun is shining. It's really hot and sunny. It is summer.
2. It's really cold today. We're wearing jackets and building a snowman. It is winter.
3. Today we are having a picnic in the park. The weather is nice and warm. It is spring.
4. The weather today is cloudy and windy. The leaves are falling off the trees. It is autumn.

2. Put the words in order to make questions and then use the pictures to answer them.

1. is / riding / What / she / ?
What is she riding?
She is riding a horse.

3. traveling / is / Where / he / ?
Where is he traveling?
He is traveling to...

2. doing / What / they / are / ?

They are playing in the beach.

4. they / are / making / What / ?
What are they making?
They are making a snowman.

3. Write 3 things that people around you are doing.

1. Marie is studying
2. Lucas is playing football
3. ...

module 4 // Unit 1

Lesson 3 » World Citizens

1. Look at the information in the chart and complete the sentences.

	New Zealand	Canada
Size of country	268,021 km ²	9,984,670 km ²
Average nationwide temperature	12.7°C	10.3°C
Population	4,721,610	36,286,425
Languages spoken	English, Maori	English, French, 9 indigenous languages
Number of international visitors in 2015	5.5 million	27.5 million

- The area of New Zealand is smaller than (small) the area of Canada.
 - The average nationwide temperature in New Zealand is _____ (high) in Canada.
 - Canada's population is _____ (big) New Zealand.
 - In Canada people speak _____ (languages) in New Zealand.
 - In 2015, Canada had _____ (international visitors) New Zealand.
2. Read Johan's description of his home city and then write a short description of your city.

Hi! My name is Johan and I'm from Mexico City in Mexico. It is the largest city in Mexico with more than 8.8 million people. In fact Mexico has more than 120 million people!

The city is surrounded by beautiful mountains and volcanoes and inside the city there are many famous buildings from the Aztec period, especially the Aztec Templo Mayor. We also have Chapultepec, which is one of the biggest urban parks in the world!

Mexico City only has two seasons; the dry season from November to April and the wet or rainy season from May to October. Temperatures can go from 0°C in the wet season to 32°C in the dry season.

I love this city, but I can understand why many people find it very stressful. If you don't like cities, don't worry, Mexico also has some of the most beautiful beaches in the world.

So Welcome to Mexico!

(Name, where you're from and population)

(What is your city famous for?)

(Climate in your city)

(Conclusion)
