INDIA

4 If you come to this country, you will get the chance to live like local people on houseboats called "Kettuvallams". If you're interested in eco-friendly products, you can see how local furniture-makers make and design their own furniture using sustainable resources such as bamboo sticks and palm leaves. Kevin

AUSTRALIA

5 This rainforest is the most incredible place I've ever visited. The waterfalls are spectacular. It's a long way to travel, but if you get the chance to visit, you won't regret it. The local people work hard to take care of the environment and preserve this amazing place. Hannah
