

Future Perfect Continuous

Futuro perfecto continuo

She will have been working here **for five years** *when she leaves the company.*

El **futuro perfecto continuo** o "**future perfect continuous**" se usa para expresar cuánto tiempo habrá durado una acción en un determinado momento del futuro.

Este tiempo verbal enfatiza la continuidad de un acontecimiento en un momento futuro. Es necesario indicar la duración de la acción (one year, two days, etc.) y el momento futuro que se toma como referencia (tomorrow, next year, etc.).

Habrá estado trabajando aquí **cinco años** (duración de la acción) *cuando deje la compañía* (momento de referencia en el futuro).

En el lenguaje coloquial se traduce por:

"Llevar" + gerundio

She'll have been working here **for five years** *by the end of this year.*

Llevará trabajando aquí cinco años a finales de este año.
