Solution

A long long time ago there was a volcano
living all alone in the mide of the sea
He sat high above his bay watching all the
Couples play and wishing that he had someone
too and From his lava came this Song of
hope that he sang out loud every day for years
and year I have dream I hope will come true
that you're here with me and i'm here with
me and i'm here with you I wish that the
earth, sea, and the sky up above will
Send me someone to lava years of Sining
all alone turned his lava into stone Until he
was on the brink of extinction but little
did he know that living in the sea
Below another volcano was listening to
his song every day she heard his tone

her lava grew and grew Because she believed
his song was meant for her now she
was so ready to meet him above the
sea as he sang his song of hope for
the last time i have dream & hope
will come true that you're here with me
and i'm here with you i wish that the earth
sea, and the sky up above will send me someone
to lava Rising from the sea below stood
a lovely volcano looking all around but
she could not see him he tried to sign
to let her know that she was not there
alone But with no lava, his song was all-
gone He filled the sea with his tears watched
his dream disappear as she remembered what
his song meant to her i have a dream i hope
will come true that you're here with me and
i'm here with me and i'm here with you

I wish that you're here with me and I'm
sea and the sky up above will send me someone
to lava on they were so happy to finally meet
above the sea all together now their lava grew
and grew no longer are they all alone with
aloha as their new home and when you go
and ~~visit~~ them this is what they sing I have
dream I hope it will come true that you'll
grow old with me, and I'll grow old with you
we thank the earth, sea, and the sky we
thank too I lava you, I lava you, I lava
you
