I'm also learning to surf and i have
mariti lessons

every day I wanted to have a class today, but it's raining, so I can't. The people are really nice here and I'm learning lots of Portuguese, which is great, but my accent isn't very good. There are lots of interesting things to see and I'm taking hundreds of photos to post on my blog.

Check out the ones I took of the statue of Christ the Redeemer at the top of Corcovado mountain.

They're not bad, but there are always lots of other tourists taking

photos of the statue too and it's hard to take a good photo anyway. I have to go now because it's finally stopped raining and the sun is shining, so I'm off to the beach for my surf lesson.
