EXERCISES 1:

Subrayar los adjetivos positivos con un color y adjetivos negativos con otro color.
Encerrar en un recuadro los verbos en pasado y sacar la lista.

Chant

When we hurt one another

When we hurt one another,
We feel horrible and sad.

I don't know about you,
But I don't want to be bad.
Bullies are aggressive
And can be very rude.
They put honest, happy people
In a really bad mood.
Try to be polite
And learn respect.
Cooperation and hard work
We really should perfect.

In two thousand and one,
I was born and life began.
I studied hard at school.
I was responsible.

The one day I met a bully.
He was arrogant and bold.
I was very disappointed,
He was horrible and cold.

He was never happy.
He was always really sad.
I wanted to help him,
So I visited his dad.

His dad was an awesome man,
He was concerned for his son.
He made an incredible plan
So he could help everyone.

Now when his son's at school,
He's tolerant and delightful.
Now he cares for all his friends
And that's how my story ends!

When we hurt one another.

Traducción

Cantar

Cuando nos lastimamos

Cuando nos lastimamos,
nos sentimos horribles y tristes.
No sé tú.

Pero no quiero ser malo.

Los matones son agresivos,
y puede ser muy grosero.

Pone a gente honesta y feliz
de muy mal humor.

Intenta ser educado

y aprender a respetar.

Cooperación y trabajo duro
realmente deberíamos perfeccionar.

En dos mil Uno nací y empecé la vida

Estudie mucho en la escuela.

Yo fui el responsable.

El día que conocí a un matón.

Era arrogante y audaz.

Yo estaba muy decepcionado.

Estaba horrible y tenía frío.

Nunca fue feliz.

Siempre estaba muy triste.

Quise ayudarlo,

Entonces visité a su papá.

Su padre era un hombre asombroso,

Estaba preocupado por su hijo.

Hizo un plan increíble

Para que pudiera ayudar a todos.

Ahora, cuando hijo está en la escuela.
Es tolerante y encantador.
Ahora se preocupa por todos sus amigos
¡Y así termina mi historia!

Cuando nos lastimamos.

ADJECTIVES
