Life in a cave

It's a cool place in the summer and warm in the winter but can a cave be a home? Well, in China caves are a popular choice for a home. [1] C These people are modern-day cave dwellers. [4] E By living in the caves they can save more flat land for planting crops. The children in the community go to school. [5] B Many of the cave dwellers can't imagine living in the big crowded cities of China and are quite happy with their cozy cave homes.

Unusual homes are earthquake proof and friendly to the environment. Many of the cave homes are very comfortable with two to three rooms. [2] A They also have a kitchen with a fire for cooking.

A Here people can relax and enjoy the view of the countryside.

E Some caves even electricity and bathrooms.

B Of course, this building is also a cave.

F They are usually farmers.

C Caves are home to over 30 million Chinese people.

D The caves are very small and dark inside.
