when we hurt one another

Negative ●

Positive ●

er

When we hurt one another,
We feel horrible and sad.
I don't know about you
But I don't want to be bad.
Bullies are aggressive,
And can be very rude.
They put honest, happy people
In a really bad mood.
Try to be polite
And learn respect.
Cooperation and hard work
We really should perfect.

In two thousand and one,
I was born and life began.
I studied hard at school.
I was responsible.

Then one day I met a bully.
He was arrogant and bold.
I was very disappointed,
He was horrible and cold.

He was never happy:
He was always really sad.
I wanted to help him,
So I visited his dad.

His dad was an awesome man,
He was concerned for his son.
He made an incredible plan
So he could help everyone.

Now when his son's at school,
He's tolerant and delightful.
Now he cares for all his friends
And that's how my story ends!

When we hurt one another, ...
