First of all I want to congratulate you all on winning the Peterson's basketball trophy last night. What an energetic game!

I admired the way you played together and showed great hard work.

It has been twelve long months of training. Thank you for your dedication; not everyone can show that much commitment.

And of course I really appreciate all your teamwork. It hasn't been easy, but as I am sure you will all agree, it was the main reason for your

Success last night.
