LIFE IN A CAVE

It's a cool place in the summer and warm in the winter but can a cave be a home? Well, in China caves are a popular choice for a home. **1** **b** These people are modern-day cave dwellers. Their caves are usually in the sides of hills and mountains. These unusual homes are earthquake-proof and friendly to the environment. Many of the cave homes are very comfortable with two to three rooms. **2** **a** They also have a kitchen with a

fire area for cooking. Outside, there is a large yard in front of each cave. **3** **e**

Life is simple for the cave dwellers. **4** **f** By living in the caves, they can save more flat land for planting crops. The children in the community go to school.

5 **c** Many of the cave dwellers can't imagine living in the big crowded cities of China and are quite happy with their cozy cave homes.

- A Here people can relax and enjoy the view of the countryside.
- B Of course, this building is also a cave.
