Hi Jane

You wouldn't believe what happened to me on my vacation to Spain. To begin with, I arrived at the airport late because I overslept. That meant I 1) missed my flight and had to catch a later one.

Then, the airline 2) lost my luggage and I had to buy new clothes when I arrived in Madrid.

On my first night I ate at a local restaurant and 3) sat food poisoning. Then two days later, someone 4) stole my wallet and I had to spend the days at the police station. But, despite all this, I still 5) had a great time. Actually thinking of going back next year.
