

YIRNISOFIA TAPIAS PALOMEQUE

GRADO: 503

10/10 EL DESARROLLO DE LOS ANIMALES

Une con flechas las imágenes de los animales con su tipo de desarrollo.

The diagram illustrates four types of animal development, each with a corresponding image and a label in a green box. Blue lines connect the images to their respective labels:

- VIVÍPAROS**: Connected to a photograph of a lioness.
- OVULÍPAROS**: Connected to a photograph of several small white chicks in a nest.
- OVOVIVÍPAROS**: Connected to a photograph of a shark.
- OVÍPAROS**: Connected to a photograph of a coiled snake.
