I Lava You.

A long, long time ago

There was a volcano

Living all alone, in the middle of the sea

He sat high above his bay

Watching all the couples play

And wishing that he had someone too

And from his lava came, this song of hope

That he sang out loud

Every day, for years and years.

I have a dream, I hope will come true

That you're here with me, and I'm here with

I wish that the earth, sea, the sky up above  
Will send me someone to lava

Years of sighing all alone, turned his lava into  
stone

Until, he was on the brink of extinction  
But little did he know, that living in the sea  
below.

Another volcano was listening to his song  
Everyday she heard his tune, her lava grew  
and grew

Because, she believed, his song was meant for  
her

Now she was so ready to meet him above  
the sea

As he sang his song of hope for the last time

I have a dream, I hope will come true  
That you're here with me, and I'm here with  
you

I wish that the earth, sea, the sky up above

Will send me someone to lava

Rising from the sea below, stood a lovely  
Volcano

Looking all around but she could not see him  
He tried to sing to let her know

That she was not there alone

But with no lava his song was so gone

He filled the sea with his tears

And watched his dreams disappear

As she remembered what his song meant to  
her

I have a dream, I hope will come true

That you're here with me, and I'm here with  
you

I wish that the earth, sea, the sky up above  
will send me someone to lava

Oh, they were so happy

To finally meet above the sea

All together now, their lava grew and grew

No longer are they all alone, with Aloha as  
their new home

And when you visit them, this is what they sing

I have a dream, I hope will come true

That you'll grow old with me, and I'll grow old  
with you

We thank the earth, sea, the sky we thank too

I lava you

I lava you

I lava you
