Travelling Eco-footprint

Our ecological footprint follows us everywhere. When we travel, we have an impact on the places we visit. Even when we go on holiday, we still have a responsibility to be eco-friendly. Learn to be an eco-friendly traveller by following this advice from local kids.

a. _____
Tanacio, from Sierra Nevada

I live in a Kogui community in Sierra Nevada. I take care of the rivers in the mountains by using natural soaps to wash our clothes. Tourists can help to keep our rivers clean by not using polluting cleaning products when they visit us.

b. _____
Jerónimo from Palomino, Guajira

I help reduce waste in my community by recycling plastic bottles. When tourists come, they buy a lot of water and throw away the empty bottles. Tourists can help by putting their bottles in the recycling bins in our town.

c. _____
Mayra from Valledupar

Valledupar is very hot, so it's important to plant trees because they provide oxygen and shade. We all plant trees near the house because they keep the area cool. When you come to Valledupar, you can help by turning off the air-conditioning when you leave your hotel room.
