4. Classify this information into the chart:

People should treat me kindly

I can tell my parents about my feelings

Teachers should listen to me

I have to use my time wisely

I can ask for help

I should be kind

I have to arrive on time at school

I have to learn a lot about the world

I need time to play with my friends

I have to do my best at school

	My best friend is angry with me. He said that I was selfish because I didn't let him copy my homework. Now he doesn't want to speak to me any more.	You should speak to the team coach about their comments. You probably just need more practice.

6	I feel really bad today. The other players in my football team say that I'm lazy and fat. They say I should run faster. They make me feel I'm a bad player.	You should speak to your mum and say you are sorry. You were rude to her. She is just worried about you. You should try to understand her.

	I feel bad because I argued with my mum. She said that I can 't go to a party with my friends. So I said, 'It's not fair! You're ruining my life!' She started to cry. Should I say sorry or just forget about it?	You should speak to him about the importance of honesty. Copying someone's homework is never OK. Don't worry, you did the right thing.

6. Apologize for these mistakes. (check Apologizing useful expressions in Sinapsis)

You said a bad word to your teacher because she told you to be quiet. It is 7.00 p.m. You forgot that today was your best friend's birthday. You said something insensitive to friend A about friend B. Friend B was listening to you. You laughed at a girl's accent because she is from another region of the country.
