There was a light in a window. They saw lots of people in a room. The people didn't move and they didn't speak. 'That's strange,' said Bianca. Professor Spark came into the room and stopped next to a man. 'Good evening, Mr President,' he said. 'Tomorrow is your big day!' The President had a blue diamond in his ear. 'Is that the real President?' asked Bianca. 'I don't think it is,' said her brother. Suddenly, Professor Spark looked out of the window. He saw the children. Bianca and Joe were scared and hurried home.
