##### **Bullying at Schools is on the Increase**

Bullying is a problem that is on the increase in schools. In general, bullies are aggressive, physically and verbally abusive and offensive to their victims.

At school, they usually call defenseless students horrible, rude names, they take their things without permission, and leave offensive messages on their desks. But one particular area of bullying that is seriously out of control is cyberbullying. Bullies use social media and messaging apps to offend masses of students with one push of a button!

If you want to stop bullying, it's very important to stay calm and not respond with violence. Also, be careful about the information you share on social media, and don't do things you aren't comfortable with or don't agree with.

##### **Read the article in exercise 1 again. Answer the questions.**

1. What are the characteristics of a bully? no tiene que ser excelente solo tiene que tener un arma
2. What recommendations does the article give about how to deal with bullying?

Hablando con la maestro o psicóloga e padres a ver que le dicen que puede hacer

**Read the advice about how to respond to bullying and complete the mind map with the recommendations**

#### WHAT TO DO WHEN YOU ARE BULLIED?

There is no magic spell to stop someone bullying you. But if you are bullied, then you should always keep calm and not respond violently. It also helps if you can identify the type of bullying and act accordingly.

**Social Bullying:** If you are a victim of social bullying, you should look for new friends and new activities.

Doing exercise, for example, helps you to relax. Also remember, you have to tell an adult what is happening to you.

**Cyberbullying:** Give your parents your passwords for all your social media accounts. Don't post personal information, and be careful who you add or accept as contacts.

**Physical Bullying:** Stay away from the bully, and talk to your parents and teachers. Never respond with violence.
